3 Requirements for the testing of gambling functionality

In the table below it shall be recorded whether the various requirements have passed assessment. If the assessment of the requirement is not a pass the requirement shall be added to the list in appendix 1 with a description of why the requirements failed to pass assessment as well as when the failure was or is expected to be remedied. It is important that all failures are recorded even if the failure has been remedied before the submission of the certification report to The Danish Gambling Authority. A description of the requirements can be found in the *Testing Standards for Online Casino*.
